KTS Practice makes permanent...

year 11 form time workshops

- Over the next few weeks, you will be focusing on **key revision skills** in form time.
- These workshops are designed to **support** you with your mock exam preparation which is **already taking place at home**.
- They **do not** replace your mock exam preparation.
- Today's focus is:

How do we remember stuff best?

KTS Practice makes permanent...

year 11 form time workshops

- Your form tutor is going to ask you to remember 3 lists of 8 words.
 1. You will **hear** the first list.
 2. You will **see** the second list.
 3. You will **see** and **hear** the third list as part of a story.
- You will have 20 seconds to write down as many words as you can.
- It's important that you don't start writing until you're told to.
